Addendum to the Announcement on 4 November 2011 on the Proposed Acquisition of 100% Equity Interests in Teampal Enterprise Corp.

Further to our announcement on the Proposed Acquisition of 100% equity interests in Teampal Enterprise Corp. dated 4 November 2011, we wish to correct a typographical error on paragraph 3 (d) which should read as "The Vendors warrant and undertake to sell all remaining inventories of TEAMPAL which were more than 270 days as of 30 September 2011 before 31 December 2012, or exchange these inventories for new or saleable inventories with the respective suppliers of TEAMPAL. Any losses arising from the inventories sold or exchange at a loss or arising from inventories which remain unsold after 31 December 2012 will be borne jointly and severally by the Vendors."
